

Manchester St School- Stationery Lists for 2021

- * The school sells packs which are already made up and are ready for our students use. These packs are sold at very competitive Back to School pricing and are put together for your convenience.
- * All pen, pencils, rulers, and erasers will be stored communally so there is no need for individual pencil cases.
- * Please do not name any stationery before school starts as this will be done in classrooms.
- * Stationery packs can be purchased from the school in the following ways:
 1. Payment directly into the schools bank account. Please put your child's name and class for 2021 into the details for the transaction. The school bank account is 03-0626-0630354-00. Packs ordered this way will be delivered to class prior to the start of the school year. To ensure that packs are in your child's classroom the day they start, payment must be received by **Friday 29th January 2021**. **If you wish to add a book bag please add \$5 to your payment.**
 2. Packs can be purchased from the school office on the two days before school starts: Monday 1st & Tuesday 2nd February 2021, between 10am and 12pm.
